There's no place like home

Putting customers first

Building homes is what Amplus does, and we do it exceptionally well across the Midlands and beyond. Over a number of years, we've seen what people really like about the homes we build and we build on that experience.

So you know that behind the kerb appeal, there's a structure that meets the highest professional standards. You know that every detail has been checked and inspected. That's experience!

Finally, **location, location, location**. You will see, we try to find the very best spot for every taste, as we believe in quality homes, in quality places.

Home is a place for everything

Your home should fit around your life. So whether you're a budding chef, artist or just like to relax, you'll find room for whatever you're passionate about.

Home is for making memories

Your home is your haven. From the minute you unlock your front door, a new chapter in your life begins.

Home is where your family grows

From baby to young adult, having a space in which your family can grow together is so important. That's why we build more than just homes.

Home is a warm place

Whether you're curling up on the sofa or having a family meal, your home will keep you warm and content all year round.

Homes built to last

There's no feeling like stepping into your new home. Whatever your plans are for tomorrow, we build our homes with a long and happy future in mind.
